

ASCA State Associations 2017-2018 e-Newsletters Rate Card

Welcome to the NEW American School Counselor state newsletter program. Over the last 10 years of producing the state school counseling magazines we have kept pace with the look and trends in the publication industry.

With the 2017/2018 school year we are introducing the newest version of the state association digital newsletters. All 50 states plus the D.C. school counseling association will participate with a total distribution of over 37,000. The e-newsletters will be in a more accessible format to be read easily on any device with display ads on the right side and “headline” ads embedded in the text portion of the newsletters between the editorial articles. The individual states will provide 2-3 articles and the balance of the editorial content including the ads will be common to all of the newsletters.

With this streamlining the newsletters will be offered 5 times a year instead of 3 issues for more current and timely topics. Each issue will have an editorial focus listed in the rate card below and all advertising rates will have a frequency discounts.

The display ads will be 200 pixels wide by 160 pixels high and the headline ads will consist of 8-12 words followed by linked content. A sample newsletter is below.

ASCA will handle the distribution of all 50 states plus D.C. newsletters in a “double blast” manner that is sent initially on the distribution date followed 7-10 days later with a 2nd distribution.

Total Distribution: 37,000+-
