***How do I earn graduate credit for approved Specialist courses?***

**First, you must register for and complete the course through ASCA.** ASCA U Specialist Trainings are worth 3 graduate credits. ASCA will submit grades to Lindenwood University's Coordinator at the end of each semester. The standard A, B, C, or F grading system will be utilized. If you complete the course your grade will be reported as an A since you must complete all exams with a 100% in order to pass the course. Individual, course-specific graduate packets are included on each Specialist Training page.

***If I'm pursuing graduate credit, what will my grade be reported as?***

The standard A, B, C, or F grading system will be utilized. If you complete the course your grade will be reported as an A since you must complete all exams with a 100% in order to pass the course.

***When will my grade be reported to Lindenwood if I'm pursuing graduate credit?***

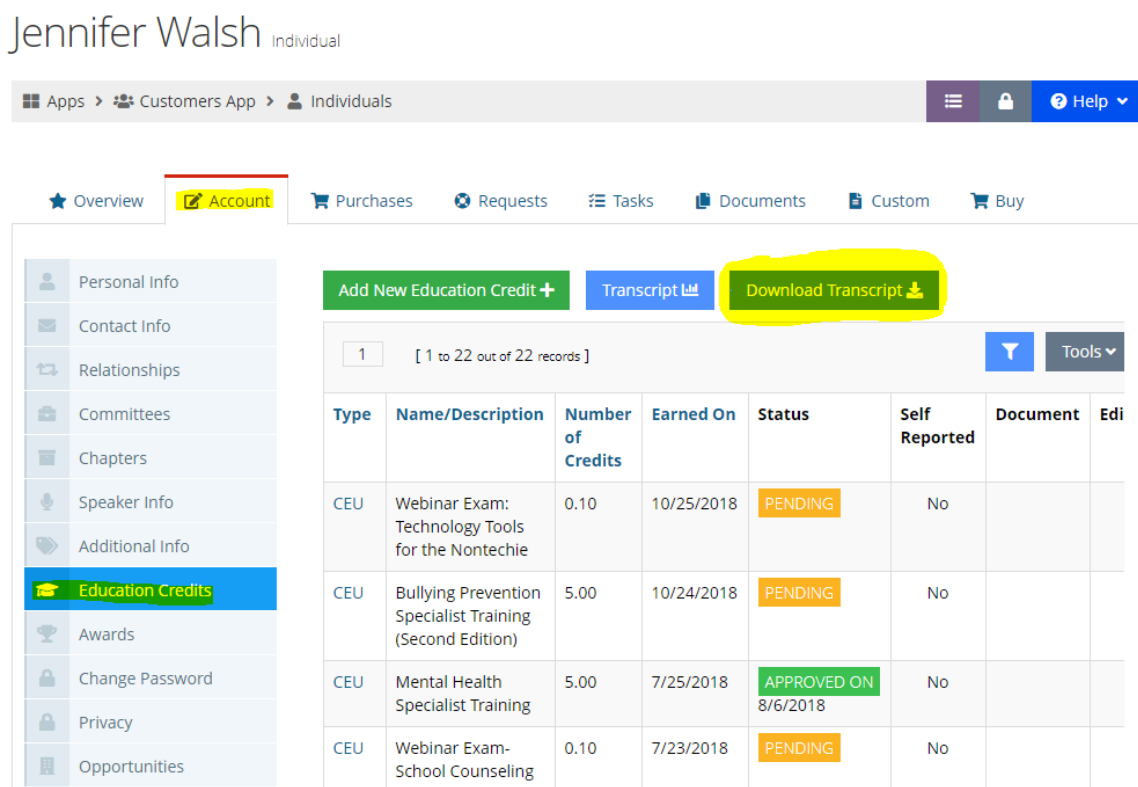

ASCA will submit grades to Lindenwood University's Coordinator at the end of each semester. Grades are due to Lindenwood by May 15<sup>th</sup> for the Spring Semester, by August 15<sup>th</sup> for the Summer Semester, and by December 15<sup>th</sup> for the Fall Semester.

***Are my graduate credits earned through Lindenwood for the completion of ASCA U courses suitable for transfer credit or academic requirements for state licensure or certification?***

Any graduate credit hours earned through these classes will not be suitable for transfer into any graduate degree program in counselor education, nor is it intended to satisfy the academic requirements for state licensure or certification. However, they may be applied, in most cases, to satisfy continuing education or professional development to meet licensure requirements or renewal. Graduate credits are nonrefundable, so participants are strongly encouraged to verify with their own state education boards, human resource/professional development coordinator, or academic institution to determine if this graduate credit is applicable.

***Where can I find record of my CEUs earned?***

You can find this by logging into your ASCA account and clicking on your Account tab/Education Credits (see screenshot below).

***I passed an exam but my score isn't updating.***

Exam scores should update almost immediately but sometimes there's a system hang-up preventing this from happening. Once you've successfully passed an exam, please do not retake it. If it doesn't update overnight then please let us know and we will look into it for you.

***I completed my course but it still says "Pending" on my transcript.***

If you completed the course today, education credits update overnight, so you'll see these move from pending to approved by early tomorrow morning under your Account tab/Education Credits. From there you can print your transcript while you await your certificate which should arrive no later than 3-4 weeks in the mail.

***How can I download a transcript of the courses I completed through ASCA U?***

You can download a transcript from your MyASCA portal under the Account tab/Educaiton Credits after completing the course. Additionally, you will receive a certificate in the mail suitable for framing that most districts accept. (See screenshot in above question)

***How do I download a certificate of the courses I completed through ASCA U?***

Our platform does not currently allow for printing of digital certificates. You can download a transcript from your MyASCA portal under the Account tab/Educaiton Credits after completing the course. (See screenshot in above question). Additionally, you will receive a certificate in the mail suitable for framing that most districts accept.

***What's the difference between CEUs and contact hours?***

District/state terminology and conversions vary, which is why ASCA offers two “types” of continuing education—CEUs and contact hours. Industry standard usually states that 1 CEU is equal to 10 hours of educational content, while 1 contact hour equals 1 hour of educational content. Specialist Trainings usually take about 50 hours to complete so they are worth 50 contact hours OR 5 CEUs.

***Can taking classes with ASCA count toward state recertification requirements?***

All states/districts have different requirements as far as continuing education and recertification. Review requirements on [this page](#) to see a state-by-state breakdown. While we do try to keep this information updated, states do periodically update their laws, so it's always a good practice to check with your state's Department of Educaiton or the equivaent. Most states accept ASCA professional development offerings without issue. However, if you experience issues, know that most, if not all, states accept graduate credit for license renewal and most of our Specialist Trainings and the ASCA Conference offer graduate credit.

***Can I use ASCA U Specialist courses to maintain my NBCC accreditation?***

Yes, the American School Counselor Association (ASCA) has been approved by NBCC as an Approved Continuing Education Provider, ACEP No. 1005.

***How do I receive Clock Hours (for Washington State) for ASCA's professional development offerings?***

The state of Washington has different requirements than most states and only accepts Washington Clock Hours. Fortunately, the Washington School Counselor Association (WSCA), an approved clock hour provider and ASCA state affiliate, converts ASCA CEUs to clock hours. Details are found [here](#).

***How do I receive ACT48 Hours (for the state of Pennsylvania) for ASCA's professional development offerings?***

The Pennsylvania School Counselor Association (ASCA's state affiliate) will assist in CEU conversion to ACT48 hours. Instructions on how to do this can be found [here](#).

***How do I receive SCECHs (for the state of Michigan) for ASCA U Specialist Trainings?***

The Michigan Department of Education has approved ASCA U Specialist Trainings to earn SCECHs, however, you will need to work through the Michigan School Counselor Association (MiSCA) to earn SCECHs. You must be a member of the Michigan School Counselor Association, and there is a \$145 fee associated with the reporting of the SCECHs. Instructions [here](#).
